and Champions”*

**Henry Wise Wood
High School
Parent and Alumni
Association**

History

The HWW Parent and Alumni Association, with the approval of School Council, used funds from the 2008 casino earnings to establish an endowment fund in December 2009.

A contract was signed with EducationMatters, for the administration of these funds.

EducationMatters is a registered charitable public foundation that operates independent of the Calgary Board of Education.

Our Vision and Mission

Our vision is to promote Life Long Learning and encourage Henry Wise Wood students to pursue post secondary education.

Our mission is to use parent and alumni raised funds and donations to achieve our scholarship goals.

Scholarships

This fund will allow five (5) \$500.00 scholarships, starting with the school years of 2009 and 2010 with the certainty of two other awards after into perpetuity.

Donations and future fund raising will be used to increase the base fund for the awarding of further scholarships.

All awards go directly to students to assist with such costs as tuition, supplies and books. By contributing, you are ensuring that Henry Wise Wood School spirit and memory live on.
