

CALGARY HERITAGE LIONS CLUB SCHOLARSHIP

Lions are recognized worldwide for their service to the blind and visually impaired. This service began when Helen Keller challenged the Lions to become “knights of the blind in the crusade against darkness” during the association’s 1925 international convention. Lions are also involved in a variety of other activities to improve their communities and help people in need, such as assisting the hearing impaired, providing diabetes awareness and education materials, working on environmental projects and developing youth programs.
