Your giving options

We will work with you to develop a custom giving option that ensures your gift has the maximum impact in the area that is most important to you.

There are a several options:

Make a Monetary Gift - support students by establishing a student award or create a fund to support schools or an area of interest. Funds can be created as either endowment or flow-through (a minimum investment is required).

Leave a Legacy Gift - through a bequest or gift of annuities/life insurance/RRSP/securities, or a charitable remainder trust.

What we do

Program Grants - we give priority to programs that are innovative, address critical issues and student needs, and align with the CBE mission and results.

Student Awards - We administer a wide range of student awards to support Calgary's students in their pursuit of post-secondary education, expanding their options and allowing them to set their sights higher for a brighter future.
